

## Visitor Wireless Network Setup

To connect to the 'Courtauld Visitor' wireless network you first have to register and set up an account.

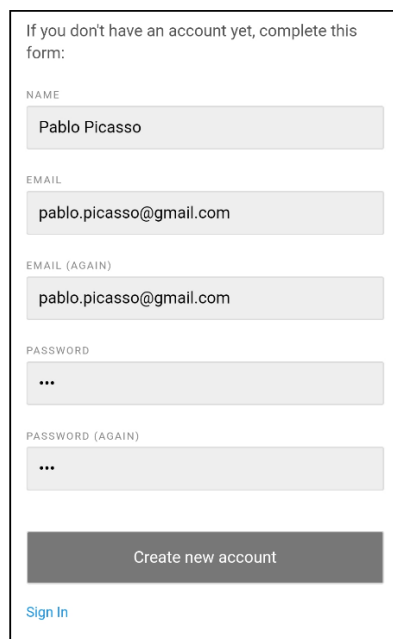

### Create an Account

1. Open the WiFi Setting on your device and select 'Courtauld Visitor'. You will be redirected to the sign in page. Click on 'Create an Account' at the bottom.

The screenshot shows the Courtauld Institute of Art logo at the top. Below it, the text reads "Welcome to Courtauld Visitor Wireless". A message states: "You will need to be on the list of authorized users for this network in order to access the Internet." There are two input fields: "EMAIL" and "PASSWORD". Below these is a "Sign In" button. At the bottom, there are two links: "I forgot my password" and "Create an account".

2. You will be redirected to the following page as seen below. Enter your credentials and click 'Create a new Account'.

The screenshot shows a form titled "If you don't have an account yet, complete this form:". The form has several fields: "NAME" with the value "Pablo Picasso", "EMAIL" with the value "pablo.picasso@gmail.com", "EMAIL (AGAIN)" with the value "pablo.picasso@gmail.com", "PASSWORD" with three dots, and "PASSWORD (AGAIN)" with three dots. Below the form is a "Create new account" button and a "Sign In" link.

3. You will then be connected to the internet and receive a confirmation email to the address you provided.
